

HUSBAND PAID TO MARRY CLARA

(Continued from Page One.)

that she might bear the child and live with the husband without arousing public suspicion.

The monthly check, he said, was his reward for this service.

He frequently declared that he was not sending him any money for what he had done.

I think he was more and more convinced after he learned that Mrs. Clara Hamon was getting \$100 for the support of her child in return for her cohabitation in Jake's dual life.

As for Clara Hamon, she was very happy because Jake Hamon had neglected her while his wife was in Ardmore last summer.

When this time she came to Tucson, she was a very pretty woman. She showed plainly that she was dissatisfied with her life. On one occasion she showed me an automatic pistol which she carried on her trip and told me that she always kept it with her for protection.

While we were in Tucson, Frank's mother, Mrs. Beale Hamon, lived at our home for several months. I loved her as my mother but she appeared to resent my having married Frank.

Prior to coming to live with Frank's mother had visited John Hamon and Clara Smith Hamon in Oklahoma City. In talking to me about her sojourn there she declared that Jake wanted her to remain with them as housekeeper.

Husband Given Job.

"In August, 1919, my husband went to Ardmore and Jake Hamon gave him a job in the oil fields. He wrote to me to come out and join him but when Jake heard that I was coming he told him (Frank) to Frank says, 'to clear out and never come here with that woman.'

Later Frank told me that Clara Smith was receiving mail under my name and was using it generally to avoid suspicion and that a second Mrs. Frank Louis Hamon in the community might cause a lot of trouble.

"Shortly after my husband came back from Ardmore, his mother bought the Steino ranch, a few miles from Vacaville and came here to live with Frank's brother Raymond and his wife.

"Frank came to me one day in October and told me he was going away to marry a very rich woman and he wished I would find somebody else."

"The very rich woman was Clara. I learned. He disappeared and the next thing I heard was that Jake had been murdered and

Clara had disappeared. Frank is still missing."

El Paso, Texas, Dec. 5.—The sixteen day search for Clara Barton Smith, wanted in connection with the death of Jake L. Hamon, at Ardmore, Oklahoma, ended last night, as far as local officers are concerned, they said, when Miss Smith was almost within their grasp at Juarez.

Sheriff Orndorff learned the location of Miss Smith through a confidential telegram and declares the informants wanted a reward in return for disclosing her hiding place. The sheriff construed an answer to a telegram to Sheriff Garrett at Ardmore to mean that Miss Smith was not wanted and that there was no reward for her capture. He declared last night that he would not continue on the case.

114 Eggs A Day Now Instead Of 25 A Day

This Means About \$125 Extra Income Per Month for Mrs. Repp.

"I have 200 hens including late pullets not old enough to lay, and had been getting 25 to 30 eggs a day. Then I tried Don Sung and am now getting 107 to 114 eggs a day."—Mrs. Emma S. Repp, K. R. 2, Lurline, Ind.

This increase of 700 eggs a day in the middle of winter, at 60c a dozen, makes \$126 extra income per month. Don Sung for her 200 hens cost about \$220. It paid her, and we guarantee it will pay you.

Give your hens Don Sung and watch results for one month. If you don't find that it pays for itself and pays you a good profit besides, simply tell us and your money will be cheerfully refunded.

Don Sung (Chinese for egg-laying) is a scientific tonic and conditioner. It is easily given in the feed, improves the hen's health and makes her stronger and more active. It tones up the egg-laying organs, and gets the eggs, no matter how cold or wet the weather.

You can obtain Don Sung from your druggist or poultry remedy dealer, or send \$1.04 (includes war tax) for a package by mail. Burrell-Bugger Co., 214 Columbia Bldg., Indianapolis, Ind.
